

English Day!

On the 25th April 2018, the Rector Mostafa FOURAR came to Baimbridge High school to participate and observe « The Week of Languages » event. On this occasion, he could discover the English eurocaribbean section of the high school. Three students presented him the Eurocar class, the objectives of this section like improving the English level or discovering new English cultures and the activities practised in class such as debates or travels.
